HELEN'S CLOSET

PATTERNS

The Arden Pants are everyday pants with loads of versatility. View A is a classic elastic-waist pant with front and back pockets. Views B and C have the same waist and pockets but feature a jogger-style cuff. The elastic waistband can be topstitched with a drawstring for a more casual look. We love wearing Arden all day, every day, and we know you will too. We bet you can't make just one pair!

Fabric Recommendations

Light to medium-weight woven fabrics with no stretch. Linen, cotton (twill, lawn, poplin, seersucker, shirting), hemp, rayon/viscose challis or poplin, and Tencel twill work well. Structured fabric will have more dramatic volume and drapier fabrics will have more fluid movement.
