HELEN'S CLOSET

PATTERNS

The Suki Robe is a luxurious and comfortable addition to your everyday wardrobe. It wraps and ties around the waist and flares out over the hips. The sleeves offer a classic look while still being a practical shape and length for morning activities. Inner and outer ties keep this robe closed so you can move around freely. Waist ties are anchored to the back of the robe so you will never lose them. It even has pockets! Two lengths are provided and you have the option of contrasting fabric for the bands. The Suki Robe is your new favourite lounge wear. *Bonus:* The Suki Robe also makes an excellent beach robe or lightweight cover-up. Make it without inner ties and pockets for wearing over jeans and a tee. Try a cropped version for a quick and elegant layer!

#### Fabric Recommendations

The Suki Robe works best in a fabric with plenty of drape. Choose a lightweight fabric such as rayon challis, viscose poplin, rayon crepe, lightweight cotton voile or double gauze, lightweight linen, satin, or silk crepe de chine. Suki can also be made in cotton flannel for a more structured, warmer robe.
