

RUBY

OVERALLS | ADVANCED BEGINNER | SIZES 0 - 34 | #7002

HELEN'S CLOSET

PATTERNS

The Ruby Overalls are fun to wear and quick to sew! Ruby features an elasticated back that creates shaping at the waist while still being comfortable to sit and move around in. Two lengths are provided so you can make cropped pant Ruby Overalls or summer shorts! Ruby includes the option for overalls hardware buckles or you can simply sew the straps into the bib and step in and out. Anchored inseam pockets make Ruby both functional and fashionable. This pattern works well in many different types of fabric, from flowy rayon challis to structured denim. Make your dream overalls with Ruby!

Fabric Recommendations

Light to medium weight fabrics with no stretch. Linen, cotton (chambray, lawn, quilting cotton, flannel), denim, hemp, canvas, rayon/viscose, and Tencel will work well. Stiffer fabrics will have more structure and drapier fabrics will have more fluid movement. We recommend fabrics with a maximum weight of 10 oz (340 gsm) due to the elastic in the back waist.

Choosing a size

We recommend that you **choose a size based on your hip measurement and make that size for both waist and hip**. You can adjust the fit at the waist by adjusting the elastic. You can grade between sizes for the bib if needed. If you are between sizes, size up. If you are grading out more than one size at the hip, we recommend adding overalls hardware or lengthening the straps to avoid any issues pulling the overalls on and off.

Mix and Match Views

You can sew the pants length (View A) with the overalls hardware (View B) and vice versa. Fabric Requirements are not affected.

Pocket Fabric

You can choose to use lighter weight or contrast fabric for the inseam pocket bags. This is especially good if working with a heavier (> 7 oz) fabric weight. Fabric Requirements are not affected.
