HELEN'S CLOSET

PATTERNS

The Dawson Top is designed to be a workhorse in your wardrobe. **Three necklines and three sleeve lengths make nine total combinations of this design.** You can sew a Dawson top for all seasons and countless different styling opportunities. We love this design as a layering top under overalls, dresses, and pinafores. It also looks great paired with your favourite jeans or leggings. Make Dawson in Merino wool for an cozy base layer, or try it in bamboo jersey for a soft and comfy tee. The mock neck view is excellent in a rib knit or sweater knit and can easily be dressed up for office or semi-formal attire. Dawson is quick, easy, and does not require a lot of fabric. This beginner-friendly pattern is one you will surely use again and again!

Fabric Recommendations

Stretch knits with at least 40% stretch horizontally (cross-grain) and 20% stretch vertically (along the grainline). Cotton jersey, cotton spandex/elastane, bamboo jersey, modal jersey, Merino jersey, Tencel jersey, rib knits, and ITY (Interlock Twist Yarn) knits will work well. Lightweight sweater knits and bamboo French terry will also work well for views A and B, but heavier/bulkier sweater knits are not recommended.

Two PDF patterns are provided with different size charts. The first is range 0-22 based on a B-cup block. The second is range 12-34 based on a D-cup block. There is an overlap from sizes 12-22 where you can choose which size range you would like to use.
